

Santa Fe Conservation Trust

JUNE 1: La Piedra Trail Opening

Santa Fe Conservation Trust and Santa Fe County Open Space and Trails Program invite you to the official opening of the La Piedra Trail on Friday, June 1st at 2pm.

Come out and celebrate and support the opening of Santa Fe's newest trail – connecting the Dale Ball North trail with Little Tesuque Creek.

The celebration will be held in the Dale Ball parking lot at Sierra del Norte and Hyde Park Road. We will have a short ceremony with City and County officials and representatives of the Trust that helped make this new trail connection possible.

Following the ribbon cutting, some of us will hike to the new trail – about an hour round trip – for those who would like to enjoy the new trail and get some fresh air!

JUNE 2: National Trails Day Hike & Bike

Santa Fe Conservation Trust will be leading a mountain bike ride and a hike on the morning of Saturday, June 2 (the Official National Trails Day) from the Dale Ball Parking Lot at Hyde Park and Sierra del Norte.

RSVP to reserve a space for the hike or the bike by registering at www.sfct.org/registration.
