

**City Trail Volunteer Coordinator:
Activities by Santa Fe Conservation Trust,
Jan. – Sept., 2014**

The Trail Volunteer Coordinator was hired and began work at SFCT on Jan. 23, 2014. Details on trail work events and promotional events organized by the Trail Volunteer Coordinator in 2014 can be found on the SFCT web site at <http://sfct.org/trails/sfct-trail-events-in-2014> . The following bulleted lists summarize these and other services provided by the City Trail Volunteer Coordinator this year.

TRAIL WORK EVENTS:

From first city volunteer work day organized by the Trail Volunteer Coordinator (April 19, 2014) to present (Sept. 22, 2014):

- 15 Trail Work (maintenance) events organized by City Trail Volunteer Coordinator, mostly on Dale Ball Trails with some on La Tierra Trails
- Over 50 different volunteers have participated in these city trail work events, including members of Trails Alliance of Santa Fe, Santa Fe Fat Tire Society, and Santa Fe Waldorf High School.
- Volunteer hours worked: approx. 366 hours (in addition to trail volunteer coordinator's time)

PROMOTIONAL EVENTS:

- Dale Ball Day (March 7, 2014), including work event on city trails not counted above (Masters Program volunteers provided through County Volunteer Coordinator)
- Southside Community Cruise (May 10, 2014), Community Bike Ride on City and County trails and streets
- Bike to Work Day (May 16, 2014), in collaboration with MPO, City, County, et al.
- Railyard Community Cruise (May 17, 2014), Community Bike Ride on City trails and streets
- National Trails Day (June 7, 2014), Ride "M" Bus and Hike on Dorothy Stewart Trail
- Hike on Dale Ball Trails with City Summer Campers (July 9 and July 16)
- Hike on Dale Ball Trails for School Field Trips: Starting this Thursday, with Camino Real Academy

TECHNICAL and PLANNING ASSISTANCE:

- General Information on City Trails and City Trail Planning to City staff, Bicycle Trails Advisory Committee (BTAC), general public, press (Santa Fe New Mexican, Green Fire Times, et al.) and private partners (e.g. National Geographic / Trailfinder Maps)
- Assessment of conditions: Dale Ball Trails, La Tierra Trails, Dorothy Stewart, Sun Mtn., et al.
- Input on Bicycle Wayfinding
- Input on Acequia Trail Planning
- Input on Foothill Trails Map
- Advise BTAC on Bicycle Master Plan priorities for Bond Reallocation
- Scope out and take planning steps toward city trail re-routes and new trail construction, working with City staff (Camino Cruz Blanca), The Nature Conservancy (Dale Ball Trails), and Santa Fe Fat Tire Society (La Tierra Trails / Flow Trail)
