

## SFCT 2024 Board Pledge Form

We realize that some Board members can give more, some can give less. However, everyone is expected to give to the best of their ability. *We expect 100% participation.* Pledge payments are greatly appreciated in the first 6 months of the year when cash flow is typically at its lowest.

This pledge form consists of two parts. The first consists is your annual Board pledge, while the second is specific to the Stand Up For Nature dinner. Your participation in and support of this event is a separate commitment from your annual Board pledge.

**Commented [BJ1]:** Do we want to say 'solicit' here or something to the effect of ... "strongly encourage to bring forward sponsorship leads/prospects prior to the event.

Solicit is often a trigger word for board members!
