

SAVING THE LAND WE LOVE ONE BEER AT A TIME

Second Street Brewery and the Santa Fe Conservation Trust are bringing together two of your favorite things – a great beer and a good cause. In celebration of 20 years as your local land trust, 25¢ from the sale of each pint of Boneshaker Special Bitter will be donated to the Santa Fe Conservation Trust to support their efforts to protect, maintain, and promote public biking and hiking trails throughout Santa Fe. Enjoy a Boneshaker and help the Trust preserve wildlife habitat, scenic lands, clear skies and clean water. Who knew that drinking beer was so good for the environment? Cheers!

Saving Land. For everyone. Forever.
