## BIKE FIESTA @ ACEQUIA TRAIL "OUTBACK"

# Bike FIESTA

### ☰ EVENT DETAILS

Join us for the Friday Afternoon Bike Fiesta and the 11th Annual Return of the “infamous” Goathead Piñata. We will be celebrating a groundbreaking or perhaps a ribbon cutting for the new Outback Pump Track. There will be various other fun onsite events for all ages.

This year's Fiesta is happening at the junction of the Acequia Trail and the trail to the Baca St. Railyard (aka the “Captain Marble Trail”). This is behind both the NM School for the Deaf and BF Young Alternative School. We encourage everyone to show up by foot or bike. Parking can be found on Flagman Way.

---

New Addition: Learn to Ride a Wheelie!

BTI will be at the Bike Fiesta with two newly built “wheelie machines”. The first step in learning to ride a wheelie on your bicycle is to discover the critical balance point. With a few minutes practice, riders will be able to win friends and impress others with their newfound riding skill. Plus, you'll get a cool sticker to mark your achievement.

If there's time, we may schedule a mini-competition between riders to see who can stay 'up' the longest.

SAFETY FIRST – Helmets, spotters and climbing mats are all part of the experience – however, we will require ALL participants to fill out a permission slip/waiver. If under age, a parent or guardian will need to sign.

---

Brought to you by Santa Fe Conservation Trust, New Mexico School for the Deaf and other community partners.

We invite other businesses and organizations to participate. To learn more, contact Tim Rogers with the Santa Fe Conservation Trust – [tim@sfct.org](mailto:tim@sfct.org)

### 🕒 TIME

*(Friday) 2:00 pm - 5:00 pm*
